

Teeple Hall, LLP Sponsoring
ALI CLE International Trust and Estate Planning 2020

Teeple Hall, LLP is pleased to announce their continuing sponsorship of this one-of-a-kind program by the American Law Institute Continuing Legal Education conference on International Trust and Estate Planning 2020 to be held as a webcast on December 9–10, 2020. This comprehensive program on estate planning is ‘the course’ to attend if you are looking for a no-holds-barred drill-down into the world of international trusts and estates. If you provide tax and trust advice to U.S. clients with international connections or to foreign clients with U.S. connections (or you don’t currently counsel such clients, but wish to start doing so), you need to understand the constantly changing legislative, regulatory, and enforcement developments around the world. Attorneys, accountants, and financial planners with cross-border practices, as well as trust officers of U.S. or foreign banks, will benefit from attending this course.

About the ALI CLE Conference:

Come to this comprehensive annual program for the latest information and high-level guidance on taxation, trusts, and estate planning for U.S. and international estate planning clients. As always, the renowned ALI CLE faculty will draw on real-life examples that make even the most complex topics both interesting and understandable.

Topics to be addressed at the conference include:

- Planning for NRAs with US Beneficiaries
- Tax Compliance Matters
- Inbound and Outbound Planning
- Estate taxation of NRAs
